CFO2GO
YOUR PERSONAL CFO™

PERSONAL, PRIVATE,
EXPAT BUSINESS ADVISORY

SMART

Taking control of your personal tax and business affairs should not be a full-time activity. As the demand on your time and need of those closest to you grow or change, it is critical for you to manage this resource wisely.

CFO2GO can put at your disposal the knowledge, experience and tools of a professional expat CFO. We approach your business as you would – evaluating alternatives, measuring risk, calculating the benefits and costs, to arrive at the best course of action.

We have been in the front lines of business and we understand the challenges of cross-border business management.

SIMPLE

Working with CFO2GO could hardly be simpler. If you have a question, you will get your answer within minutes.

We are multilingual (we speak and write English, Czech and German), and trained in CR GAAP, IFRS and US GAAP and US Tax, we can represent your interests before the CR and US tax authorities. We use a host of local and international software packages to make the work easier. We also offer:

- An information-rich website
- Active Q&A forum on Linked-in.com
- No-fee ad hoc consultations
- NetClient 24/7 secure online portal
- US1040 secure online tax organizer and e-File
- Remote desktop training and consulting
- Video skype communications

SECURE

Security of your data is our highest priority. When you work with us you can be assured that we will protect your information as if it were our own.

Our procedures are in full compliance with EU and US directives on personal data security. You can expect us to use and adopt secure communication and file exchange technologies as they become commercially available.

NetClient portal places your work in the most secure location available – a Class-IV, IBM-certified data center, one of the 20 largest data centers in the world.

Our TWIST® Enterprise Enterprise Resource Program for 24/7 secure online accounting operations runs on our own Master Internet-hosted servers in Brno behind a CISCO Virtual Private Network (VPN).

This infrastructure features:

- Built-in redundancy
- Secure password protection for local and remote access
- 128-bit encryption
- Digital accounting document archive

We are ready to serve YOU!

Take control of your personal tax and business affairs. CFO2GO is the SMART, SIMPLE and SECURE choice. To learn more, look us up at www.cfo2goeurope.com or call us today.
