## YOUR PERSONAL CFO™

RETAINED ACCOUNTING SERVICES

## SMART

CFO2GO Retained Accounting Services helps you reorganize your staff for maximum efficiency by effortlessly integrating accounting document entry into their daily work processes. Your overall cost of accounting will fall as the number of required trained professionals falls and you focus their time on increasingly more value-adding activities.

CFO2GO is also accessible to provide high-quality, actionable accounting, tax and operations solutions. We believe in working smarter whenever possible, and will show you how. We usually operate on a flat monthly retainer in a controllership and financial manager capacity. You can think of us as your "Personal CFO™"

## SIMPLE

### CFO2GO supplement your own staff:

- Multi-lingual
- Accounting-trained in CR GAAP, IFRS, US GAAP and US Tax
- Line-operations experienced
- Self-initiating proactive partners

### TWIST® ERP saves you the hassle and money of buying software upgrades and hardware.

- All modules for a monthly user fee
- Automated bank and transaction-matching
- Fully-customizable company documents
- Full Czech, Slovak, English, German interface
- 24/7 secure online VPN access
- Local/parent account-mapping
- E-business, Microsoft Office linkable

## SECURE

TWIST® technology is fully-scalable, and your business processes must be, too. CFO2GO Retained Accounting Services will not let your staff get complacent. We will help you and them find better ways to get the job done without hassle so they can go home on time.

### SECURITY

Our procedures are in full compliance with EU and US directives on personal data security. You can expect us to use and adopt secure communication and file exchange technologies as they become commercially available.

NetClient portal places your work in the most secure location available – a Class-IV, IBM-certified data center, one of the 20 largest data centers in the world.

Our TWIST® Enterprise Resource Program for 24/7 secure online accounting operations runs on our own Master Internet-hosted servers in Brno behind a CISCO VPN.

This infrastructure features:

- Built-in redundancy
- Secure password protection for local and remote access
- 128-bit encryption
- Digital accounting document archive
- User and group-level access rights

Work smarter, not harder to stay ahead. CFO2GO is the SMART, SIMPLE and SECURE choice. To learn more, look us up at [www.cfo2goeurope.com](http://www.cfo2goeurope.com) or call us today.
